## Boardwalk Grill & Pizzeria Fundraising Gift Card Program Example

This example of the Fundraising Gift Card Program is based on the sale of 500 cards with a face value of \$20.00 each equaling \$10,000 in sales.

The organization retains 20 percent of the total sales equaling \$2,000 profit, with no money out of pocket, and no up front costs for design or card fees.

The Organization then pays Boardwalk Grill & Pizzeria the balance of the sale (\$8,000) within a specified period of time, usually one month.

Using 500 Gift Cards, below is an example showing the amount of Fundraising Gift Cards each participant in your organization, would be required to sell to reach your organizations goal.

50 Participants must sell 10 cards each or (\$200 in Sales)  
75 Participants must sell 6.6 cards each or (\$132 in Sales)  
100 Participants must sell 5 cards each or (\$100 in Sales)  
150 Participants must sell 3.3 cards each or (\$66 in Sales)  
200 Participants must sell 2.5 cards each or (\$50 in Sales)

This is one example.

The program can be tailored in a variety of ways to fit the needs of your organization. We can change the face value of the card, quantity of cards, sales time window etc. as well as colors and graphics.
